**RE: CITY CODE AMENDMENT REGARDING THE EXPIRATION OF
APPRENTICE/TRAINEE CARDS**

This is an official notice that City Council adopted amendments to the City Code May 8, 1997 that set expiration dates for apprentice/trainee registration cards. Below listed is the text of the City Code that sets forth the expiration dates.

Sec. 10-177. (f) *Registration fees and duration:*

- (2) A registration under this chapter shall be valid from the date of issuance of the registration card for the following periods:
 - a) Electrician apprentice/trainee - Five (5) years.
- (3) The registration of an electrician apprentice/trainee who is duly registered at the time of enactment of this article shall be valid for five (5) years from the date of enactment.

Any apprentice/trainees registered prior to May 8, 1997 registration expired May 8, 2002. Those apprentice/trainees will need to be issued a new apprentice/trainee registration pocket card that will be valid for five years from the date of issuance. Please check with your employees for possible expiration of their registration cards and inform them of this City Code requirement.

Any questions pertaining to this matter may be directed to Patrick J. Poloskey, Chief Electrical Inspector at 207-8286 or email at patrickp@sanantonio.gov.
